

Slatington, Pa. June 17", 1907.

Dr. J. S. Blum,
Pres. Nazareth Hall M. A.
Nazareth, Penna.
My Dear Dr. Blum:-

Would you please give me a certificate for admission to a college with all the branches and averages I have had? I have decided to change colleges and I need recommendations from Nazareth Hall and Lafayette College. I am trying to enter State College or Cornell as a Sophomore and wish you to give me as good a recommendation in regard to studies and character as you can. I am sure I will be very grateful for all you do for me.

In regard to the studies I wish you would give me good recommendations in the following studies which I have completed and stood at the head of my class in; Plane and Solid Geometry, Algebra, Plane Trigonometry, Physics, German, Latin, English, Mechanical Drawing, Metric System, Book-keeping, Military Tactics and all other branches that I have had. I wish you would mention my standing and average at the time of my graduation.

Hoping you will make out the certificate at your earliest convenience as I must register at college and make all arrangements this month.

Thanking you in advance for this favor in which I know you will do me justice, I remain,

Your Sincere Scholar,
Roscoe L. Berlin
Slatington, Pa.

P. S. Kindly remeber me to Mrs. Blum.
