Dear Dr. Blum:-

I should have written before this, but have been out of town part of the time, and have been kept quite busy most of the time that I have been at home.

My parents agree with me in thinking that I had better not go back to Nazareth Hall next year, and so I have decided definitely not to return. In giving you my resignation, I wish to thank you for your kindness to me while I was at Nazareth Hall, and to express my appreciation of the fairness with which I was always treated at your hands. I feel that I could not have asked for kinder or fairer treatment.

Hoping that this decision will not inconvenience you, I am

Yours very truly,

David H. Barr.
