CABLE ADDRESS: LOCKHART, ST. THOMAS

Saint Thomas, D.W.I. 2nd April 1903

Revd S. J. Blum.
Nazareth Hall
Nazareth Pa.

Sir,

I am in possession of a Catalogue of your Institution, and am desirous of placing my boy (aged 14½ years) with you for a term of two or three years. I should therefore be obliged if you would kindly give me some further information which is not contained in the Catalogue, such as board during the long vacation, Cost of same, etc, and all other necessary advices you deem proper. If these are suitable, I could have my boy ready to enter the Institution at the next term, say 10th Sept. evening, and I would thank you to let me hear from you on the matter at your very earliest convenience. For references, I would name Bishop E. L. Reichel and Revd D. Berrig, of this town. Awaiting your favor,

I remain
Sir
Yours truly.

A. H. Lockhart

I understand that the boy can be boarded at some of the teachers' if so, I would request that the charges be as moderate as possible
