Rev S. J. Blum Principal
Nazareth Pa
Dear Sir

in a letter to you sent care My son Thomas
concerning Feby 22^d vacation; I said if there was no vacation
I wanted him to remain at school. Later developments caused
Mrs Bomboy his mother to write Thomas sending him
money and asking him to come home Thursday night 21st
I also wrote Thomas Wednesday night from Columbia Pa
a letter Thomas has not recd which is now in your
office as he had not recd it up to time of his leaving
on Thursday night which would have put him right as
far as our request is concerned in addition to this
Mrs Bomboy telegraphed you personally at 5 P.M.
Thursday saying let Thomas come home on first
train possible; Mrs Bomboy feels she should have
written you at time she sent him money to come home
but wired you as above stated Thursday 5 P.M. I
hope Thomas is not blamed too much in this matter as we should
have written you personally at time of sending him the money
I was not home and Mrs Bomboy thoughtlessly wrote Thomas only
but wired you later

Yours very truly C. Bomboy.

P.S. Thomas will return to school Sunday P.M. Feby 23^d 07.
