Dear Sir:- Am very sorry not to have answered your letter before this but have been away.

In regards to running Poole, am greatly in favor of the exercise but would like more detail as to the cost of it & what is expected

A842f

Dear Sir.

I think the proper way would be for each pupil to subscribe an equal amt of the cost but would like to hear further about the matter.

Am very much pleased with the progress Howard has made in the last year & trust you will take the same interest in him this next term.

Inclosed you will find ck for inclosed bill and trust the delay has caused you no inconvenience

Yours truly

Arthur Smith
