The Revd S.J. Blum
Dear Sir

Enclosed please find Cheque for $148.50 to apply as follows

School term	140.00
Pocket money	3.50
Subscription to Swimming Bath	5.00
Total	$148.50

In sending James this year it is distinctly understood by him, that he has no special license, but that he is to conform to all rules and regulations as a regular graduate. That it is expected of him to diligently apply himself to his studies, and make

the most of this coming year to attain to a higher degree of mathematics.

I shall be greatly obliged if you will kindly see that in this branch of study he is pushed as it is my intention at the close of the school year to send him out in the field with some surveyors party to learn the rudiments of surveying by actual practice and any assistance you can give him with a view to that end will be greatly appreciated.

With kind regards

Yours very truly

J. C. Cox
